

## MAGICAL MEETING SPACE BY THE VISTULA

### THE CONCEPT

### GREENHOUSE ARIES

### SEASONS

**Greenhouse Aries** was created out of the need to celebrate moments spent at the table. Through the glass walls of the greenhouse, we invite the surrounding nature of the Beskids inside. In **Greenhouse Aries**, there is no clock measuring time. We surrender to shared conversations. We cherish the moments spent together. We celebrate the “here and now” in the best company.

A dinner at **Greenhouse Aries** is a multi-hour feast for the senses. It is an extraordinary, one-of-a-kind space for family and corporate gatherings. The 7-course menu, prepared by the team from Polka Restaurant, is enhanced by a wine selection chosen by our sommelier. The greenhouse is hosted by the Master of Ceremony, who oversees the dinner from beginning to end.

In summer, Greenhouse Aries is filled with the fragrance of flowers, herbs, and vegetables ripening before our eyes. In autumn, shades of orange and red dominate, blending beautifully with the colors of the fall trees. Winter is a time when we regularly light the fireplace, and the scent of pine and wood brings our Guests into a truly festive mood. In spring, we invite you to enjoy the spectacle of blooming crocuses, tulips, and pasque flowers..
